The decree n°2-07-1160 modifies and completes the decree n°2-02-642 dated 30th October 2002, and was published in the September 6<sup>th</sup>, 2007 Bulletin Officiel.

Article 3 of the October 30th, 2002 decree has more particularly been modified and now states that “businesses that are allowed to settle in the Ksar El Majaz exportation bonded area include any activity related to the creation, improvement, and exploitation of a seaport, as well as any activity and any service necessary to the seaport exploitation or related to seaport activities; **as well as logistics, stocking and bonding of goods.**”

The above-mentioned bonded area, which is part of the special Tangier-Mediterranean development zone, is therefore now accessible to a largest range of businesses.
